# BOJAN MRKAJA

## FRONTEND DEVELOPER

060/462-48-23          bojanmrkaja@gmail.com          www.bojanmrkaja.com

## PROFILE

I am a front-end developer based in Belgrade(Serbia), focused on crafting clean & user friendly experiences. My main goal is creating responsive layouts which work on any device, big or small. Websites don't have to be static, they can be interactive, and that's what I'm aiming for while creating new layouts. I enjoy researching and learning new technologies, as I strive to be better developer each day.

## WORK EXPERIENCE

**CUBES D.O.O , JUNIOR FRONTEND DEVELOPER INTERNSHIP**
June 2018 - November 2018

Work on projects:

- **GARDEN-SHOP**
  My task was - creating an HTML site structure, CSS styling and JavaScript logic implementation, as well as functionality (sliders, animations, gallery,form validation etc.). Some part of the code is applied to atcsremcica.rs

  **atcsremcica.rs**

- **MINT APOTEKA**
  This project was done for a chain of pharmacies in Belgrade, I am responsible for the entire frontend development, HTML structure, CSS styling, as well as implementation of JavaScript logic and functionality.

  **mintapoteka.rs**
